In consideration of the payment of premium and in reliance upon the statements in the Declarations and subject to all the terms of this policy, the Company named in the Declarations (a capital stock company, herein called the company) agrees with the insured, also named in the Declarations, to provide coverage as follows:

INSURING AGREEMENT

To indemnify the insured for that amount of loss which exceeds the amount of loss payable by underlying policies described in the Declarations, but the Company's obligation hereunder shall not exceed the limit of liability stated in Declaration 6.

CONDITIONS

A. Application of Underlying Insurance. Except as otherwise stated herein, and except with respect to (1) any obligation to investigate or defend any claim or suit, or (2) any obligation to renew, the insurance afforded by this policy shall apply in like manner as the underlying insurance described in the Declarations.

B. Maintenance of Underlying Insurance. It is warranted by the insured that the underlying policies listed in item 5 of the declarations, or renewals or replacements thereof not more restricted, shall be maintained in force as valid and collectible during the currency of this policy, except for any reduction of the aggregate limits contained therein solely by payment of claims in respect of occurrences happening during this policy period. In the event of failure by the insured to so maintain such policies in force or to meet all conditions and warranties subsequent to loss under such policies, the insurance afforded by this policy shall apply in the same manner it would have applied had such policies been so maintained in force. Notice of exhaustion of underlying insurance shall be given the company within thirty (30) days of such exhaustion.

C. Loss Payable. Liability of the company with respect to any one occurrence shall not attach unless and until the insured, or the insured's underlying insurer, has paid the amount of underlying insurance stated in Declaration 5. The insured shall make a definite claim for loss, for which the company may be liable within twelve (12) months

after the insured has paid any amount of excess loss, as stated in Declaration 6; or after the insured's liability shall have been made certain by final judgment after actual trial, or by written agreement of the insured, the claimant, and the company. Any subsequent payments made by the insured on account of the same occurrence shall be payable by the company within thirty (30) days after additional claim is made by the insured; and after the insured has shown proof in conformity with this policy.

D. Premium Computation. The premium for this policy shall be based upon the rating basis set forth in the declarations and shall be computed by applying the rate set forth in the declarations to each unit of exposure generated by the insured during the policy period. The advance premium is based upon the estimated exposures for the policy period as stated in the declarations. Upon expiration of this policy or its termination during the policy period, the earned premium shall be computed as thus defined. If the computed earned premium is more than the advance premium paid, the named insured shall immediately pay the excess to the company; if less, the company shall return the difference to the named insured; but the company shall receive and retain the annual minimum premium for each twelve (12) months of the policy period.

E. Assistance and Co-operation. The company shall not be called upon to assume charge of the settlement or defense of any claim made or proceeding instituted against the insured; but the company shall have the right and opportunity to associate with the insured in the defense and control of any claim or proceeding reasonably likely to involve the company. In such event the insured and the company shall cooperate fully.

F. Expenses. Loss and legal expenses incurred by the insured with the consent of the company in the investigation or defense of claims, including court costs and interest, shall be borne by both the company and the insured in the proportion that each party's share of loss bears to the total amount of such loss. Salaries and expenses of the insured's employees shall not be considered as part of the above expenses. Expenses thus paid by the company shall be paid in addition to the limit of liability stated in Declaration 6.

G. Notice of Occurrence. Upon the happening of an occurrence reasonably likely to involve the company hereunder, written notice shall be given as soon as practicable to the company or any of its authorized agents. Such notice shall contain particulars sufficient to identify the insured and the fullest information obtainable at the time.

The insured shall give like notice of any claim made on account of such occurrence. If legal proceedings are begun, the insured, when requested by the company, shall forward to it each paper thereon, or a copy thereof, received by the insured or the insured's representatives, together with copies of reports of investigations made by the insured with respect to such claim proceedings.

H. Appeals. In the event the insured or the insured's underlying insurer elects not to appeal a judgment which exceeds the underlying insurance, the company may elect to do so at its own expense, and shall be liable for the taxable costs, disbursements and interest incidental thereto, but in no event shall the liability of the company for excess loss exceed the amount set forth in Declaration 6.

I. Subrogation. In the event of payment under this policy, the company will participate with the insured and any underlying insurer in the exercise of all the insured's rights of recovery against any person or organization liable therefor. Recoveries shall be applied first to reimburse any interest (including the insured) that may have paid any amount, with respect to liability in excess of the limit of the company's liability hereunder, then to reimburse the company up to the amount paid hereunder, and lastly to reimburse such interests (including the insured) to whom this insurance is excess as are entitled to claim the residue, if any. Such expenses incurred in the exercise of rights of recovery shall be apportioned among all interests in the ratio of their respective losses for which recovery is sought.

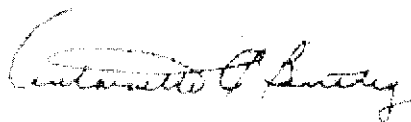

J. Cancellation. this policy may be cancelled by the named insured by surrender thereof to the company or any of its authorized agents, or by mailing to the company written notice stating when thereafter such cancellation shall be effective. This policy may be cancelled by the company by mailing to the named insured at the address shown in this policy written notice stating when, not less than thirty (30) days thereafter, such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient notice and the effective date of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

Premium adjustment shall be made by the company either at the time cancellation is effected or as soon as practicable thereafter. The check of the company or its representative, mailed or delivered, shall be sufficient tender of any refund due the named insured.

If this policy insures more than one named insured, cancellation may be effected by the first of such named insureds for the account of all insureds, and notice of cancellation by the company to such first named insured shall be notice to all insureds. Payment of any unearned premium to such first named insured shall be for the account of all interests therein.

K. Other Insurance. If other valid and collectible insurance is available to the insured which covers a loss also covered by this policy, other than insurance that is specifically purchased as being in excess of this policy, this policy shall operate in excess of, and not contribute with, such other insurance.

IN WITNESS WHEREOF, the company has caused this policy to be signed by its vice chairman of the board and secretary but this policy shall not be valid unless completed by the attachment hereto of a Declarations page countersigned by a duly authorized representative of the company.
